Progress of Electoral Programme for Administrative Unit (Village and Parish Level) and Women Councils and Committees (Village to National Level) Elections, 2018

1) Introduction

I welcome you to this press briefing in which the Electoral Commission will update you on the progress of the electoral programme for Administrative Unit Elections from the Village (LC I) level to the Parish (LC II) level, and Women Councils and Committees Elections from the Village to the National Level:

2) Electoral Programme for Administrative Units (Village and Parish Level) Elections

As you are aware, on 25th May, 2018, the Electoral Commission issued an adjusted programme for conduct of Administrative Units (LC I & II) Elections 2018.

The Commission has since engaged and is progressing with various preparatory activities to achieve a successful electoral exercise. This includes recruitment of temporary field election officials, preparation of election materials and other logistics, as well as publicity and mobilisation of stakeholders to participate in the electoral programme.

Today, the Commission wishes to remind the public of upcoming critical activities in the programme as follows:

3) Verification of residents and compilation/update of the Village LC I Register and the Village Women Register: Friday 22nd – Monday 25th June 2018

The Electoral Commission appointed Friday 22nd to Monday 25th June 2018, as the period during which willing village residents will register to participate in Administrative Unit (LC I) , and Women Councils and Committees Elections.

During this period, eligible and willing residents shall turn up in person at the registration centre within the village of residence to register.

Please carefully note the following:

- a) This is not a fresh registration of all village residents across the country, but rather a compilation/update exercise, to enable the Commission register eligible residents of 18 years and above, who are not yet registered in the Residents Register, as well as those who

were not registered before, during the exercise conducted in October 2017 for purpose of Administrative Units (LC I & LC II) and Women Councils and Committees Elections;

- b) Accordingly, persons who registered during the exercise conducted in October 2017 and were successfully verified as residents will not be required to register again during this compilation/update exercise.

This is because the Electoral Commission already has their particulars in the Village Residents and Village Women's Registers.

- c) However, the Commission received a total number of 1,138 new villages which have been added on the list of existing villages. This means that residents in these new villages who had registered in the old villages and those who could have transferred residence are advised to register in their current place of residence.
- d) The registration exercise shall cover the compilation/update of two registers:
- i. The Village Council Register, for purposes of electing the Village (LC I) Chairperson and approval of members of the Village Executive Committee;
 - ii. The Village Women's Council Register for purposes of electing the Village Women's Committee;
 - iii. Willing village residents and willing village women residents shall be registered in separate register books provided by the Electoral Commission; and,
 - iv. The willing women residents will register in both registers and participate in both elections.
- e) The registration exercise shall be free of charge, and will be conducted from 7:00am until 6:00pm on each of the appointed dates, including weekends;
- f) A person must fulfill the following requirements in order to be registered in the Village Council Register:
- i. Must be a citizen of Uganda, who is ordinarily resident in the Village of registration;
 - ii. Must be eighteen (18) years of age and above at the time of registration;
 - iii. Must be willing to be a member of the Village Council;
